Конгрес Српског Уједињења

The Serbian Unity Congress invites you for a meeting on critical issues for the Serbian community, both in the US and Homeland. Since inception, SUC has had a leading role on many issues for our community, including information gathering and dissemination to US policy makers, preservation and promotion of our heritage, as well as cooperation with all aspects of the Serbian society, both here and the Homeland. It is great opportunity to discuss all the above issues in depth and actively participate. Everybody, member or not, is welcome.

Join us for the evening of friendship and cooperation. Vine and hors d'oeuvre social hour gives you an opportunity to meet others.

The Serbian Congressional Caucis in US Congress is being formed. You can contribute to this effort by participating in this meeting and find out how to inform your representative.
